

West Michigan Equip Quarterly Conference

Parenting

*Thursday, April 4 and Saturday April 6, 2024
with Andy and Kim Hylton*

This will be an extended format, laying some groundwork Thursday evening, and building on it Saturday morning. The time will include teaching on Biblical principles as well as practical approaches to parenting. Andy will teach combined sessions, and there may also be breakout sessions for men and women.

Young people: Don't be bashful about attending! Consider it a time of preparation - perhaps for parenting your own children, perhaps for other areas of ministry.

Andy & Kim Hylton were commended to the Lord in 2001. At the time, Andy left a business career. Kim is a stay at home Mom. They have served in youth ministry, discipleship training and shepherding. Andy & Kim presently make their home outside of Cleveland, OH and serve at Westlake Bible fellowship. They have 6 children with 2 welcomed daughters in law.

Please let Rob or Becky Wagner know if you plan to be present for the meals Saturday.
